Professional Objective

A full or part-time teaching position inspiring students' artistic expression through drawing, painting, printmaking, sculpture and animation at a school that values compassion, diversity, critical thinking, and innovation.

Experience

Artist Organizer

Plein-Air Drawing Group, May 2023 - Present

- Organizing a series of free, from-life "plein air" drawing sessions composed of an ever-changing group of artists. Thus far, we have drawn at the Met Cloisters, New York Public Library (Bryant Park) and the Williamsburg Bridge.

Tattoo Artist

Self-Employed, June 2021 - Present

- Freelance tattoo artist with bookings in Spain, Germany, Mexico, Texas, Los Angeles and Chicago.

Art Instructor

After School Matters, July 2020 - June 2021

- Taught drawing, painting and multi-media explorations to both special needs and non-special needs high-school students.
- Created class curriculum, schedule, lesson plans
- Budgeting and ordering supplies.
- Creating a series of step-by-step educational videos for special needs students.
- Designed and produced several virtual final group shows of student work.

Art Instructor

Spudnik Press, Chicago, IL, Spring 2018 - 2020

- Responsible for leading multiple one-day intensive Risograph workshops, including the history and functions of the Risograph, and how to print on the machine through a series of hands-on exercises and demos.

Art Instructor & TA

School of the Art Institute of Chicago, Fall 2017- Spring 2019

Taught Intro to Printmaking course. Responsibilities Included:

- Teaching Risograph, Offset, Lithography, Screen printing and Relief/Woodblock.
- Entering student grades, attendance and communicating with advisors about student performance.
- Creating Power Point presentations on various historic art movements in order to motivate and inspire students.
- Leading student critiques and exemplifying how to give constructive feedback.
